SKYE LYN WADDELL

FULLSTACK DEVELOPER

I am writing to express my interest in the Software Developer position. With a comprehensive background in front-end, back-end, and web development, and a passion for creating applications. I am excited about the opportunity to contribute to your innovative team.

DEAR READER,

My experience as a solo developer on various projects has honed my skills in software development, sound production, and graphics/art. Notably, I developed and released "Undead Survivor" across multiple platforms, utilizing GMStudio and GML. I have built applications, and websites in many frameworks, and enjoy learning and developing with new systems.

My formal education includes an ongoing Object-Oriented Software Development program at the Southern Alberta Institute of Technology (SAIT) and a Web Developer course from Zero to Mastery Academy. Additionally, I have earned certifications in Responsive Web Design from freeCodeCamp.

- Fullstack Web & Database Development
- Multi OS Application Development
- Game Developer
- GFX Design & Animation
- Project management & leadership

I am eager to bring my unique blend of technical expertise and creative vision to your company. I am confident that my skills and passion align perfectly with your company's goals. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team.
Sincerely,

Skye Lyn Waddell
